

SKATERS READ THIS

We, the neighbors of Hudson Park (the neighborhood you are skateboarding in) asked the city to put this skate park in our park so teens would have a place to play and hang out.

WHAT WE DID NOT ASK FOR

The garbage you leave all around the area every day; there are plenty of trash cans you can use.

WHAT WE DID NOT ASK FOR

The juvenile tagging and grafitti you leave all around our park and neighborhood.

WHAT WE DID NOT ASK FOR

The drugs and underage drinking you think we don't see.

YOU DECIDE

Either you clean up after yourselves, stop the grafitti and treat our park like your home.

OR

Do nothing then we will petition the city to take the skate park down and remove your unlawful behavior.

IT'S YOUR CHOICE WE WILL BE WATCHING
